BRIEF ABSTRACT OF LETTERS.

NOTES AND ORDERS

Camp Chickmagalur,
27th January 1919.

Dear Mr. Balasundaram,

I enclose 2 demi-official letters, one from the Extra Member and the other from the Revenue Commissioner regarding the food situation in Kolar. Please let me know if any report has been received from the Deputy Commissioner on the subject. I do not think that there is anything now reported which is new and when two Members of Government visit one after the other making identical enquiries in the same localities, there is likely to be a certain amount of repetition of complaints

It may be, however, necessary to appoint Food Inspectors in such of the taluks as require special assistance being given to the Amildars to go about checking the holding o f large stocks by merchants or ryots and commandeering them if necessary to keep the market supplied. Please issue a Circular at once to the Deputy Commissioners accordingly authorizing them to appoint Food Inspectors wherever necessary according to the needs of the situation, reporting the fact to the Revenue Commissioner forthwith. As Mr.K.R.Srinivasangar is away from the State, a copy of the Circular

order may be sent to his office for his information as soon as he returns.

A demi-official circular letter should ~~xx~~ also go to all the Deputy Commissioners directing them to go to Bangalore on the 10th February next with complete information regarding the food situation in their respective Districts and proposals, if any, for supplies, prices and establishment required to meet contingencies till the end of April next. This should be treated as urgent.

I have not been kept informed of the progress made in the Secretariat in dealing with the census and the other returns for the submission of which, a time was prescribed. I shall be obliged if you will reply to me by return post whether a review is being drafted or not as already ordered.

Yours sincerely-

Dear Mr. Banerji,

Just arrived at Kolar after visiting Chikballapur, Bagepalli, Gudibanda, Sidlaghatta, Chintamani and Srinivaspur. My tour notes will be sent up to you in due course. In the meantime, I wish to bring to your notice that the food situation in all these places has become very acute. The markets are not well supplied with ragi, and everywhere there is a cry for it from the poor people. Rice was coming to these places from the Hindupur side, and this has of late completely stopped. Mysore rice is not available at all. I have asked the Deputy Commissioner of Kolar to place himself in communication with the Collectors of the bordering British Districts and to arrange for a regular supply of rice to the markets in the places mentioned above. I am writing to the Food Controller to visit these parts at once. I am sending a copy of this letter to the Revenue Commissioner as well.

Yours sincerely,

Zakir Hussain

18 It is desirable that the Food Inspectors should be officials of some status in order that they may be of substantial help to the Dt in commandeering & otherwise exercising control over food supply operations in

taluks. The proposal of the Committee in regard to pay scale maybe approved.

19. As regards procedure in regard to appointment, it is desirable that R.E should have power of approval in regard to D.C appointments. D.C's proposals may therefore go to R.E through J.

20. The appointment of Food Inspectors maybe for three months at a time so as to keep the establishment elastic.

Submitted to His Highness.

These papers relate to the appointment of Food Inspectors to assist Amildars wherever necessary in commandeering and other operations connected with food supply.

In Government order No.G.15791-802/P.P.134-18-245, dated 28th January 1919, the Deputy Commissioners were authorized to appoint Food Inspectors wherever necessary on a pay of Rs.50 to Rs.70. The Central Food Supplies Committee subsequently recommended that if these Inspectors were to be of real help to the Amildars, they must be men of sufficient status, etc., and that they might be therefore, given the status and pay of a Deputy Amildar and a fixed travelling allowance of Rs.20 per mensem and also a peon on Rs.8

The Financial Secretary who was consulted had no objection.

These proposals were accordingly sanctioned in Government Order No.22259-72/P.P.134-18-470, dated 2nd April 1919. The appointments are purely temporary and have been ordered to be made only for three months in the first instance and to be renewed for a like period if necessary, so that the establishment may be kept elastic.

The action taken may be graciously approved.

wych are likewise quite unwilling to part with their stock. & the merchants say that in spite of all their attempts they do not succeed in getting any Bark from the wych for sale: and that without the help of the amsdam & Rhen Revenue officers, it will be impossible & have the markets supplied. The amsd who were present supported this statement & a free Export. In this circumstances, we have & took it in Revenue officers to the markets supply and as the amsdam cannot absent & this without prejudice & their other duties - which are already severely suffering, I think it will be necessary & give them Each an assistant (who may be called Port Inspector) ... to ... advance for this purpose and I have asked
Mr Venerbundhoo to speak to Khoosy on the matter
& arrange for the necessary advance being made if
possible.

As regards rice, the situation is comparatively easy and the supply is better though
the prices are high. The reason why there is
a fair supply of rice in Kota Tinggi is that
the Dutch are able to [illegible] import
rice easily for [illegible] fields and utilise them for
is for the most [illegible] Dutch. One of the Kota
merchants said he [illegible] had for a consignment of Rangoon

The [illegible] rules in force and the Ryssen Tonnage were Explained to the officers and they were ordered to pay particular attention to the Strict Enforcement of the Rules thereof in the measurement ultra Sea & repeal press to the maintenance of accounts & the furnishing a perfect [illegible] by large Stockholders & to the [illegible] transport of grains out of the State.

A register of large stocks owned by Ryssen merchants in each Talua was ordered to be maintained. So that the amount may readily know when we can get a [illegible] when this regulation.

y seen for a day. I presume the food supply arrangements there will be Dept' care and the Municipalities. I went there yesterday visited the Depot, the Municipal Stores, one of the mills & had a discussion with the Dep^t Com^r, the Municipal President & Mr Nathan.

There is Enough provender in the City to, and a large number of reserve stores also, The arrangements for supply to all the Camps are however quite unsatisfactory. All the rice required for the city is supplied by the Depot from the Govt Depot. and is brought by the Municipality at 6 centers. at 12 annas a Rupee. As the cost price of rice delivered at Sea Customs is a pallam (2 100 Seers), a pallam (2 100 Seers), on the daily consumption is about 200 pallam

- Rs 3000/- a month. our law says so by it.
I understand that the Municipal Commissioner has
sent up a recommendation to Govt that
the road should be done by Govt + not
handed to the Municipality. Apart from
the law the Govt in Municipality which the
management entails. It has made it impossible
for the merchants to obtain supplies
without delay, as they cannot possibly appeal to
the as 12 seem. a Rupee when so pressing can.
if they take as less than 12 seem, no buyer comes
to the so long as the Municipality is talking
longer. It is no wonder that the merchants have pleaded inability to take
2 to insure have asked for their licences to

the officials of the Church said that he had given
an assurance to his merchants that of his Share
of profit sapping & rags
and undertook to sell it he would raise his stakes
in the Rimapal ~~Sukantesvara~~ Sale depot. & in same rate
as which they owed sale. Steps for this assurance
will prove effective remains to be seen. Endeavour
Mr Sukantesvara Gr does not with the ~~Rimapal~~ raids
his powers in his city for some time. All this
depends on the Patronage return to the capital
& this work owed be ascertained in the matter

2 the request to the supply for Sundalur,
according to the arrangement entered with by us
with the Pandya officers. we have agreed to supply
400 pounds of rags every week to Sundalur; but
so far no effects has been made for the purpose

SIR,

I have the honour to submit herewith, for the orders of Government, copies of Kolar Deputy Commissioner's letters No. H.C.347/18-19 dated the 17/18th February 1919 and 23rd/24th idem recommending the grant of a mileage of 4 annas to Food Inspectors provided the claim is certified by the Amildar or of a fixed monthly allowance of ₹30/- and requesting sanction to entertain two peons on ₹8/- each per mensem for work under each Food Inspector. When these officials were last appointed in connection with the food census operations, two peons on ₹8/- each had been allowed for every Inspector, but their travelling allowances were then ordered to be regulated in accordance with the provisions of the Mysore Service Regulations.

SUBJECT.

Recommending sanction to the grant of mileage to Food Inspectors, and to allow one peon on ~~Rs~~ 8/- for each Food Inspector.

I have the honour to be

Your most obedient servant,

Revenue Commissioner.

Letter No. H.C.347/18-19 dated 23rd/24th February 1919 from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore.

With reference to your letter No. F.C.238 dated 19th/21st February 1919, requesting to be informed whether there is any need for Food Inspectors &c., I have the honour to state that the removal of restrictions re transport and prices has not yet improved the situation in any way. On the contrary, loud complaints are heard from many places that the situation is getting more and more grave in that the merchants have not after all been able to get any stock from the ryots and that the removal of restrictions of prices has only increased the profiteering tendencies of merchants. As stated in your D.O. letter No.1028-35 dated 16/17th February 1919, we have to watch and see if the situation would improve or go from bad to worse and cause distress and sufferings to the poor. In this connection, I would invite your kind reference to the Government Order No. G.17649-63/P.P. 134-18-302 dated 17th instant, directing to have reserve depots opened as a precautionary measure. After a careful consideration of the situation so far, I think it very necessary to keep the Food Inspectors already appointed, with a view to get some stock for the reserve depots to be opened at these places, move about and watch the markets, shandies &c., and the situation generally, and also materially assist the Amildars in giving timely information and in commandeering if necessary, as contemplated in the annexure to the Government Order of the 17th instant. It is also considered necessary to have reserve depots in every Taluk Head Quarters; and I am making my proposals to the Food Controller for the required Establishment and also for additional funds. As the four Taluks for which Food Inspectors are already appointed are considered to have surplus stocks and as we have to send some stock to the reserve depots of the deficit Taluks, the services of Food Inspectors are, I consider very necessary.

If the situation shows a tendency to improve, the services of Food Inspectors may be dispensed with. Till then, they may be retained. I would, therefore, request you to be so good as to obtain early orders of Government on my original reference for facilities for Food Inspectors.

For Revenue Commissioner.

Letter No. H.C.347/18-19 dated 17/18th February 1919 from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysor

In continuation of this Office letter No. Ref. H.C.347 dated the 1st instant, regarding the appointment of Food Inspectors for Kolar, Malur and Srinivasapur Taluks, I have the honour to state that it has been represented by the Food Inspectors that for doing their work efficiently, the following facilities should be afforded to them:--

(i) that they should be given either a fixed travelling allowance per mensem or mileage for every mile they travel without the restrictions imposed by articles 581 and 591 of the Mysore Service Regulations, as they have to constantly move out and hire conveyance, the charges of which are considerably more than the usual travelling allowances admissible to them.

and (ii) that they should be given the assistance of 2 peons each

2. It is true that they would be put to considerable inconvenience and loss if these facilities are not given to them. I would recommend the grant of mileage of 4 annas for every mile they travel, provided their claim is certified to by the Amildars. If this is considered too much, a fixed monthly allowance of ₹s 30/- may be given to them.

3. As regards peons, Government in their Order No. G.15775-8/P.P.134-18-100 dated 14/16th December 1918, sanctioned 2 peons to each Food Inspector at ₹s 8/- per mensem, and the same order may be made applicable to the Food Inspectors appointed as per Government Order No G.15791-802/P.P.134-18-245 dated 28th January 1919.

I request the favour of early orders in the matter.

Letter No. 4479 dated 27th February 1919 from the Food Controller in Mysore, to the Revenue Commissioner in Mysore.

I have the honour to enclose herewith a copy of resolution No. 1 of the Food Supplies Committee at its meeting held on the 31st ultimo and to request that you will be so good as to obtain the sanction of Government to the proposal of the Committee that the pay of Food Inspectors should be fixed at ₹100/- per mensem and that the men should have the status of Deputy Amildars.

For Revenue Commissioner

Copy of Resolution No.1 of the Food Supplies Committee at its meeting held on the 31st January 1919.

1. With reference to the letter from Government to the Deputy Commissioners authorising them where necessary to appoint Food Inspectors on a salary between Rs.50 and Rs.70, it was resolved that with a view to secure reliable and trustworthy men, it was necessary that the pay of the appointments should be fixed at Rs.100 per mensem, the men having the status of Deputy Amildars.

Food Controller in Mysore.

MPH.

OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE.

No. 16438 P.P 134-18-43 Bangalore, 14th March 1919.

FROM

K.R. Srinivasaiengar Esq., M.A.,
Revenue Commissioner in Mysore.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
~~Department~~.

SIR,

I have the honor to state that, in the matter of appointing Food Inspectors, Government, in their order No.G.15791-802/P.P 134-18-245 dated the 28th January 1919 authorized the Deputy Commissioners to appoint them wherever necessary and in their subsequent communication No.G.16101-8DP.P.134-18-257 dated the 1st February 1919 directed the Deputy Commissioners to obtain my approval to the appointment of these Inspectors as regards the number of appointments and the matter of fixing their pay. But in their recent order No.G.18335-50/P.P 134-18-337 dated the 24th February 1919, it has been laid down that, in respect of the establishment required in Districts, the Food Controller should send his proposals to the Revenue Commissioner who should forward the same to Government with his remarks. It is not quite clear whether the instructions conveyed in the last order supersede those of the two previous ones. It seems at any rate desirable that all communications pertaining to the appointment of Food Inspectors should preferably pass through the Food Controller. I therefore request to be informed if the Deputy Commissioners may be instructed to address all their communications about the appointment of Food Inspectors to the Food Controller in the first instance and if such appointments may be approved by myself or if they should be submitted to Government for orders.

I have the honor to be,
Sir,
Your most obedient serva

Revenue Commissioner.
